

The Hollister Firefighter's Union Local 3395 Announces:

**9th Annual Firefighter's Ball
Sept. 22nd 2007**

It's that time again! The Hollister Firefighter's Union Local 3395 is holding its ninth annual Firefighter's Ball, and we're looking for corporate sponsors. This is going to be a great event this year: once again we'll have the presentation of the Tony Aguirre Scholarship, music, a live auction and a raffle with some terrific prizes. **We'll be at the Veterans' Memorial Building on San Benito Street from 4:00 p.m. to midnight. Dress will be semi formal.**

But we need your assistance in underwriting the expenses involved in such an event. We're trying to encourage greater participation and community involvement through this event, and we really hope you can participate.

We'll hold the award ceremony at the Firefighter's Ball, with a check being presented to each non-profit during a photo op with local press coverage, so the agencies, and the community at large, can see your generous support of our community.

If you are interested in becoming a corporate sponsor, please complete the attached sponsorship request and submit it to Hollister Firefighters Union Local 3395, 110 5th Street, Hollister, CA. 95023-1944.

If you have any questions, please call William Olguin at 831-902-5670 or Norman "Rico" Fisher at 831-636-4325. Thank you for considering our request.
